Viswa Bharathi High School, Naidupeta | BSEAP | CGPA: 9.0

Skills

Technical Skills:

Programming Languages: Python, MySQL, JavaScript, OOPS

Web Technologies: HTML, CSS3

Version Control & Collaboration: GitHub

Data Analytics Tools: Power BI, Microsoft Excel

Soft Skills:

Leadership, Initiative, Teamwork, Creativity, Communication, Active Listening

Projects

AP ICET College Predictor Website

Role: Web Developer | **Technologies:** HTML, CSS, JavaScript, JSON, Excel, GitHub Pages

Project Link: https://ap-icet-rank-category-based-college-predictor.vercel.app/#

Duration: May 2025 – Present

- Built a college predictor tool for AP ICET 2025 using Excel data converted to data.json for dynamic filtering.
- Enabled searches by rank, caste, gender, region, and course (MBA/MCA) with min/avg/max cutoff insights.
- Added filters (Region, District, College Type) and a one-click PDF download feature for improved UX.

Deployed via GitHub Pages; widely appreciated by students for simplifying counselling decisions.

Internship Experience

Python Intern | Cothon Solutions | 13 Oct, 2024 – 13 Nov, 2024

Gained hands-on experience with Python programming, focusing on machine learning concepts.

Used GitHub for version control and repository management, enhancing collaboration within the development team.

Certifications

- Java Programming | Oracle Academy
- Python Essentials | Cisco Network Academy
- Database Management System | Infosys Spring Board
- Databases for Developers Foundation | Oracle Dev Gym

Strengths

Self-motivated with a strong sense of initiative

Confident and goal-oriented mindset

Patient and composed under pressure
